AUTUMN SALE

Dakenag Post Hole Diggers

Dakenag produce 3 models of the 3 point linkage post hole diggers; Little Ripper, Series 503 and Series 753. Jibs are made with ample adjustment to achieve the maximum depth hole required. The Little Ripper is designed and suited to compact tractors with a maximum of 25hp. The 502 is a heavy duty digger with a rating of 50hp and is well suited to general farm applications. The 753 is a 75hp rated digger that is more suited to the contractor and those wishing to use bigger tractors. Augers are available in 6", 9", 12", 15" & 18".

Model	Gearbox Rating	Digging Depth	Suitable Augers
Little Ripper	25 hp	1.2 m	6", 9", 12"
503	50 hp	1.2 m	6", 9", 12", 15", 18"
753	75 hp	1.2 m	6", 9", 12", 15", 18"

25hp with 9" Auger **\$1298.00** 50hp with 12" Auger **\$1650.00** 75hp with 15" Auger **\$1950.00**
